Dear Ms. Wilkens:

This letter is in response to the letter from the FEC dated August 7, 1998. Your letter states concerns that our reports disclose limited payments for administrative expenses. Please be aware that these expenses are included in the consulting fees reported to Morgan, Meredith & Associates. Because there is not an official office for the TRUST PAC all utilities and equipment used belong to the consultant's office. If there are any further questions or concerns please feel free to contact me.

The other concern stated in your letter was that the federal operating expenditures were supposed to be reported on line 21b of the Detailed Summary Page if our committee has only one account. We apologize for this error and will be sure that our operating expenditures are reported on the correct line for all future reports. Please find an amended Detailed Summary Page enclosed.

Thank you for your consideration in this matter.

Sincerely,

Thomas R. Donnelly, Jr.  
Treasurer
